FULL STACK DEVELOPER

As a self-taught MERN-stack developer, expertise has been gained in a variety of technologies, including **JavaScript**, **Node.js**, **Express.js**, **React.js**, and **MongoDB**. Through completing projects and receiving feedback, I have developed a strong ability to prioritize tasks and manage time effectively, ensuring the timely completion of projects and adherence to the highest standards

TECHNICAL SKILLS

Languages	: JavaScript, Node.js, HTML, CSS
Frameworks	: Express js, Bootstrap
Libraries	: React.js, Redux Toolkit, Mongoose
Databases	: MongoDB
AWS	: EC2, S3 Bucket, IAM, Route53
Architecture	: MVC, Repository Pattern
Familiar	: Data Structure and Algorithms, Reverse Proxy, NGINX, SQL
Dev Tools	: Visual Studio Code, Git, Github, Postman, Figma

PROJECTS

E-commerce Full Stack Web Application

[Source Code](#)

Node.js, Express.js, JavaScript, MongoDB, Bootstrap, NGINX, Git, AWS, Twilio, RazorPay

- Developed user-friendly interface with secure registration/login using Twilio for OTP verification, efficient address management, product search, and cart functionalities.
- Provided flexible payment options, comprehensive order history, and easy product return for seamless shopping experience.
- Designed intuitive dashboard with informative charts for sales analysis, advanced form validation, and efficient order management system for effective business operation.
- Customized user interface with banner management to enhance engagement.

MINI-PROJECTS

Netflix Clone

[Source Code](#)

A project cloning the Netflix platform using **React.js** and The Movie Database (**TMDB**) API.

Olx Clone

[Source Code](#)

A project cloning the OLX platform using **React.js** and utilizing **Firebase** as the backend to handle user authentication.

Auth & User Management

[Source Code](#)

A full-stack web app with **Redux** for global state management, **JWT** authentication, and **MongoDB** database, enabling users to login/register, manage profiles, and admins to manage user data efficiently.

EDUCATION

MERN-Stack Development

Prototype

Kochi, Kerala
June 2023 - Present

Bachelor of Commerce

University of Calicut

Palakkad, Kerala
2019 - 2022
